Goals workshop

At this meeting we continued our review of goals from examples of participatory budgeting processes around the US.

This focused on Sustainability, Community Building/Human Centered Approach, Transparency/Accountability, Harm/Trust, Other

The Commission focused on clarify specific ideas and language around these goals and decided to do a final review of them at the next meeting.

Logic Model Workshop – Brittany Keegan – VCU Wilder School

In support of an Evaluation Plan for RVAPB, Brittany Keegan from the VCU Wilder School did a workshop in the development of a logic model. This is process that will take the goals set by the commission further into the specific outcomes and outputs that the RVAPB process will demand.

After the presentation the commission, the commission discussed how this logic model process could work in parallel to the rulebook development efforts.
